

The ARGO-HYTOS Group is a global provider of hydraulic system solutions.

With around 1,000 employees and over 75 years of experience in fluid motion control and filtration, ARGO-HYTOS continues to set new standards in the hydraulics industry. Especially in mobile hydraulics, ARGO-HYTOS has developed into an innovation leader.

The ARGO-HYTOS Group is represented by production companies in Germany, the Czech Republic, India, China, Poland, Brazil and the USA, as well as numerous international sales companies worldwide.

Since August 2022, ARGO-HYTOS has been part of the Voith Turbo Group Division within the Voith Group.

To strengthen our Nordic team at our location in Finland, we are looking for an:

Account Manager / Sales engineer Finland & Baltics

You will work in an international environment interacting mainly with colleagues at the Nordic sales office in Sweden and at the European production units. Fluent English in speech and writing is therefore a requirement, understanding of Swedish is beneficial.

The main task is to create new business relation and growing our existing customers by supporting them with top class solutions to their needs. To be successful you should have experience in hydraulics and B2B sales. You will work independently and long-term towards set goals.

Location in Vaasa or in a home office.

We place great importance on your personality. Since we build long-term relationships with our customers, it's essential that you share our core values of honesty and fairness. We follow the Swedish collective agreement with Teknikarbetsgivarna.

We're excited to hear from you!

Please send your complete application to Panu Teräs at p.teras@argo-hytos.com.
